

“OLD BOYS” ASSOCIATION”

The Club has formalised the affiliation of the “Old Boys” which will be a separate category of membership of which Past Members will be able to apply.

To be able to obtain Membership we would appreciate the return of the attached membership application form which will enable us to upgrade our records.

It has been agreed that the “Old Boys” will assist with raffles on Carnival weekend and we are also playing a supervisory role on Saturday afternoons to assist with the Junior and Cadet raffles. (A good chance for a casual beer about 4.30p.m. each Saturday)

We have also locked the annual Re-Union into the Sunday of the long weekend in May for the next 10 years so please add to your diary.

Sunday afternoon the 6th of December at 2.00p.m. has also been booked for a casual get together in the Function Room to bring you up to date on these developments.

Best regards

Dave Jewry
